Bristol ID

Bristol ID submitted an application for a free standing sign. The sign as proposed does not meet code. Colleen made a motion that the Planning Board not accept the application for the below stated reasons and suggests Bristol look at the Route 15 Corridor Study for alternative design ideas. Paul seconded the motion and the Board voted all in favor.

1. The code does not allow for signs to be internally lit.
2. The code requires a 3 foot open space below the sign running the entire length of the sign.
