Ways and Means Committee

Chairman Gott asked the County Attorney to comment on this resolution.

County Attorney David Morris explained that after a year and a half of negotiation and public comment periods the agreement that governs the use of the Akzo settlement funds between Livingston County, the NYS Attorney General and the NYS DEC is finally ready to be signed. The agreement sets up four accounts and the use of the money in those accounts. Three of the accounts are under the control of the County, \$11M goes into infrastructure improvements, \$5M into water supply protection and \$1M into a contingency account. The one account under the control of the state is \$3M for water testing and subsidence monitoring. There are certain procedures that have to be followed for the expenditure of that money and they are spelled out in the agreement.

**OTHER BUSINESS**

1. County Administrator Updates – Acknowledgement of Jason Skinner and the dance that he and the local veterans groups helped organize raised \$3,000 on their first time trying it out. These funds will all go toward transportation of veterans to appointments. That is often times a gap to be filled in both drivers and mileage. Catholic Charities will receive about \$2,000 in the RSVP program and the Aging office will receive about \$1,000.
2. The Worker's Comp budget will be discussed at first September Ways and Means meeting. That will be a discussion around the local law that governs our workers comp fund, so we will talk about special districts and how we assign contributions to that assessment. The Board members were encouraged to attend.
3. Think of Kathy Montemarano in your prayers and thoughts. She had a sky diving accident and broke her leg. We have a part time position that will be bumped up to full time for the interim.

**ADJOURNMENT**

Motion made by Mr. Pangrazio and seconded by Mr. Mahus to adjourn until Wednesday, September 14, 2016 at 1:30 p.m. Carried.

The Board adjourned at 1:41 p.m.
