

**REGULAR BOARD MEETING  
WEDNESDAY, OCTOBER 11, 2017  
1:30 P.M.**

**ROLL CALL**

The roll was called showing all members present.

**PLEDGE OF ALLEGIANCE**

The County Administrator introduced J. Peter Hillier:

Pete Hillier was born in Dansville, New York. He enlisted in the Army on August 18, 1968 and completed Army basic training in Ft. Dix, New Jersey.

Upon completion of basic training he continued his education earning the MOS 45K20 – Tank Repairman Classification on February 7, 1969 at the Test and Evaluation Command at Aberdeen Proving Ground in Maryland.

On June 16, 1969, Pete re-enlisted in the U.S. Army and continued by serving 24 months in Vietnam. His military honors include the National Defense Service Medal, Vietnam Service Medal with two stars, Vietnam campaign medal with device, Army Commendation Medal, and Bronze Star Medal. In addition, Pete has been awarded the New York State Conspicuous Service Cross.

Upon returning stateside, Pete was discharged as an E-5 at US Army Personnel Center, Oakland, California. He came home to Dansville where he worked part time at Stony Brook State Park and was employed at Foster Wheeler. He retired after 24 years of dedicated service to the Village of Dansville as an Equipment Operator.

Pete Hillier currently resides in Dansville with his wife, Bobbie. They have two sons and one grandchild.

J. Peter Hillier, led the Pledge of Allegiance.

The County Administrator and Chairman Gott, on behalf of the Livingston County Board of Supervisors, presented a Certificate of Appreciation to J. Peter Hillier. The audience presented a standing ovation.

**APPROVAL OF MINUTES**

Minutes of 9/27/17 Regular Meeting were approved as presented.

**PUBLIC HEARINGS**

**1. LOCAL LAW NO: D - 2017 A LOCAL LAW PROVIDING FOR THE ADMINISTRATION AND ENFORCEMENT OF THE NEW YORK STATE UNIFORM FIRE PREVENTION AND BUILDING CODE**

Chairman Gott asked the County Attorney to comment on the local law.

County Attorney Shannon Hillier explained that essentially, this local law establishes the code enforcement program at the county level for County owned properties enforcing the State Uniform Fire Prevention and Building Code along with the state energy code via the appointment of a County Code Enforcement Officer. This is not going to change what happens at the local municipal level. The villages and towns will continue to operate their own code enforcement program through their code enforcement office. The local law is required by state regulations.

**2. TO HEAR ANY OBJECTIONS TO THE SPECIAL ASSESSMENT ROLL OF THE LIVINGSTON COUNTY WATER DISTRICT NO. 1 ZONES 1,2,3,4,4A, AND 5, CONESUS LAKE COUNTY SEWER DISTRICT – EXT. #8 AND #9, AND GROVELAND STATION COUNTY SEWER DISTRICT**

Chairman Gott asked Water and Sewer Authority Director, Michelle Baines to comment on today's public hearing. Ms. Baines explained that this is an annual public hearing to hear any objections on the number of units assigned each parcel for the County water and sewer districts. This special assessment roll is developed by our Real Property Tax Services office. Director Bill Fuller is also here today. Units are assigned based on rules and regulations this Board adopted years ago on what designates a unit. Single family home is charged one improved unit. Multiple units come into play when there are apartments, double homes, etc. This special assessment roll shows how many units you will be charged for water and/or sewer on your property tax bill for 2018. This special assessment pays for the construction of water and sewer systems within those water and sewer districts.

Mr. Davis entered.

## Public Hearing #2 Comments:

1. Frederick Staley, 6303 Railroad Avenue in Conesus-Mr. Staley gave a brief history of the parcel next to his home and explained that he is trying to ensure that he does not need to pay a bond issue charge for the condemned single family parcel. Both the Conesus Assessor and the Water and Sewer Authority have said they cannot make a decision and that only the government can make that decision. Mr. Staley is asking what he has to do to eliminate paying two bills on one parcel and if there is some action that the Board of Supervisors can take so that Mr. Staley will only have one charge on his bill. Mr. Staley thanked the Board of Supervisors for their time.

Chairman Gott thanked Mr. Staley for his comments and explained that we won't have an answer today but we will correspond with him through the Real Property Tax Services office.

**COMMUNICATIONS**

1. Summons with Notice in the Matter of Jeffrey A. Dobson and Shannon D. Dobson vs. Livingston County et al.

- ANNUAL UPDATE FOR THE LIVINGSTON COUNTY HISTORICAL SOCIETY & MUSEUM

Ms. Kowalchuk explained that she is here today to update the Board of Supervisors on the Livingston County Historical Society and Museum and presented their Vision and Mission. Ms. Kowalchuk reviewed the consolidated funding application and the projects that funding will address. Ms. Kowalchuk reviewed some fundraisers that they do. They have raised \$30,000 to be used toward conserving a section of the original big tree. Collaborations will continue with the various groups.

**PREFERRED AGENDA REQUIRING ONE ROLL CALL VOTE****RESOLUTION NO. 2017-312      A RESOLUTION TO INCREASE STATE SUPPORT FOR CORNELL COOPERATIVE EXTENSION COUNTY ASSOCIATIONS IN THE STATE OF NEW YORK**

WHEREAS, Cornell Cooperative Extension is a formal collaboration between the National Institute of Food and Agriculture at USDA, New York State, County Governments, and the Citizens of the State that has served to apply unbiased, research-based knowledge from Cornell, New York's Land Grant University, to the needs of New Yorkers and their communities for over 100 years; and

WHEREAS, local Extension Educators are key community partners in helping to implement state initiatives including maximizing agriculture and local food systems, strengthening the economy, promoting healthier eating habits and access to good nutrition, fighting poverty particularly in rural areas, protecting water quality and stewardship of New York's natural resources, building opportunity through STEM based youth education and leadership skills in 4-H, promoting renewable energy options while protecting farmland resources, and partnering where appropriate in Taste NY initiatives to promote tourism and local food and farm businesses; and

WHEREAS, support from Federal, State, and County sources is essential to the continued success of locally-governed Cornell Cooperative Extension County Associations; and

WHEREAS, state appropriations for Cornell Cooperative Extension County Associations to match County government appropriations as authorized by Section 224 (8) of the County Law have remained stagnant for seventeen years; and

WHEREAS, state funding is needed to ensure that the Cornell Cooperative Extension system can equitably work for all New York residents through increased resources to support rural, suburban, and urban community development needs; now therefore, be it

RESOLVED, that the Livingston County Board of Supervisors supports increasing the State appropriation for Cornell Cooperative Extension County Associations to \$8 Million, such funds to be distributed directly to the Associations, through Cornell University as agent for the State as provided by law.

**RESOLUTION NO. 2017-313      PROCLAIMING THE MONTH OF OCTOBER 2017 AS  
DOMESTIC/FAMILY VIOLENCE EDUCATION AND AWARENESS MONTH FOR LIVINGSTON  
COUNTY**

WHEREAS, October is National Domestic Violence Awareness Month across the U.S., and Purple has been designated as the domestic violence color marker, and

WHEREAS, the issue of domestic/family violence is a major societal problem that costs the County government and taxpayers thousands of dollars each year and will only yield in part to continual focus and exposure by the County government, its affiliates and committees, and

WHEREAS, the Livingston County Domestic Violence Consortium and the Livingston County Domestic Violence Task Force fully support the implementation of this resolution in support of their collaborative efforts within the County, and

WHEREAS, the Education, Prevention and Awareness arm of Chances and Changes, Inc. demonstrates a partnership commitment to provide presentations and information to schools to educate kindergarten through college level students, many area public sector organizations, and emphasizes the need for exposure and training for County businesses, especially their managers and supervisors on this difficult topic, and

WHEREAS, events and programs are offered by the County domestic/family violence agency, Chances and Changes, Inc., during October of each year in acknowledgement of this National Awareness Month, and include programs with and for SUNY Geneseo and other County students, community residents recognized by Partners In Change awards and other County activities such as candlelight vigils and Friends and Family Information Sessions; now, therefore, be it

RESOLVED, that the Livingston County Board of Supervisors does hereby proclaim the month of October, 2017 as Domestic/Family Violence Education and Awareness Month for Livingston County.

**VOTE ON LOCAL LAW**

**LOCAL LAW NO: D - 2017 A LOCAL LAW PROVIDING FOR THE ADMINISTRATION AND ENFORCEMENT OF THE NEW YORK STATE UNIFORM FIRE PREVENTION AND BUILDING CODE**

Be it enacted by the Board of Supervisors for the County of Livingston, as follows:

**SECTION 1. PURPOSE AND INTENT**

This local law provides for the administration and enforcement of the New York State Uniform Fire Prevention and Building Code (hereinafter referred to as the "Uniform Code") and the State Energy Conservation Construction Code (hereinafter referred to as the "Energy Code") within all buildings and premises in the possession or control of the County of Livingston. This local law is adopted pursuant to Section 10 of the Municipal Home Rule Law. Except as otherwise provided in the Uniform Code, other state law, or other section of this local law, all buildings, structures, and premises, regardless of use or occupancy, are subject to the provisions of this local law. This local law shall also

apply within those towns and villages within the County of Livingston where the County of Livingston has the responsibility for enforcement of the Uniform Code. This local law shall not apply to properties and buildings acquired by the County of Livingston under Article 11 of the Real Property Tax Law of the State of New York.

## **SECTION 2. DEFINITIONS**

The following words shall have the meanings herein assigned to them for the purpose of this local law:

“Areas of Public Assembly” shall mean all buildings or portions of buildings used for gathering together fifty or more persons for amusement, athletic, civic, dining, educational, entertainment, patriotic, political, recreational, religious, social, or similar purposes, the entire fire area of which they are a part, and the means of egress therefrom.

“Building” shall mean a combination of any materials, whether portable or fixed, having a roof, to form a structure affording shelter for persons, animals or property. The word “building” shall be construed when used herein as though followed by the words “or part or parts thereof” unless the context clearly requires a different meaning. The word “building” shall be construed when used herein as though it included the words “structure”, “equipment”, and “premises” as used herein, unless the context clearly requires a different meaning.

“Building Permit” shall mean a permit issued pursuant to Section 4 of this local law. The term “Building Permit” shall also include a Building Permit which is renewed, amended or extended pursuant to any provision of this local law.

“Certificate of Occupancy”/“Certificate of Compliance” shall mean a certificate issued pursuant to subdivision (b) of Section 7 of this local law.

“Code Enforcement Officer” shall mean the Code Enforcement Officer appointed pursuant to subdivision (a) of Section 3 of this local law.

“Code Enforcement Personnel” shall include the Code Enforcement Officer and all Inspectors as defined herein.

“Compliance Order” shall mean an order issued by the Code Enforcement Officer pursuant to subdivision (a) of Section 15 of this local law.

“County” shall refer to the County of Livingston, a municipal entity of the State of New York.

“Declaration of Unsafe Building Certificate” shall mean a paper designating a building, structure, or premises as posing an imminent threat to the health and safety of any persons occupying or in close proximity to such building, structure, or premises, and bearing the name and address of the building, the signature of the Code Enforcement Officer, and the Code Enforcement Officer’s reasons for issuing such declaration, pursuant to Section 9 herein.

“Energy Code” shall mean the State Energy Conservation Construction Code, as currently in effect and as hereafter amended from time to time.

“Equipment” shall include all materials related to plumbing, heating, electrical, ventilating, air conditioning, refrigerating, elevators, dumbwaiters, escalators, and other mechanical additions or installations.

“In the possession or control of the County” shall mean any building, structure, or premises owned by the County of Livingston, or any building, structure, or premises rented or leased by the County of Livingston and occupied by the County of Livingston during the normal course of its business and located within the physical confines of Livingston County, New York. Such definition shall expressly not include County roads and bridges owned and maintained by the County of Livingston, nor shall it include any property or buildings acquired by the County under Article 11 of the Real Property Tax Law of the State of New York.

“Inspector” shall mean an inspector appointed pursuant to subdivision (d) of Section 3 of this local law.

“Operating Permit” shall mean a permit issued pursuant to section 10 of this local law. The term “Operating Permit” shall also include an Operating Permit which is renewed, amended or extended pursuant to any provisions of this local law.

“OFPC” shall mean the New York State Office of Fire Prevention and Control and any successor agency thereto.

“Owner”

1. For projects under the direction of, initiated by, or in possession or control of the County of Livingston, the Owner for the purpose of this local law shall be for purposes of this local law the Director or Department Head of the department whose personnel are proposing to perform, are performing, or are overseeing contractors who are performing any renovation, repair, or construction work, or, in the case of a Capital Project of the County of Livingston, the Owner shall be the person designated as being administratively responsible for the project by resolution duly adopted by the Board of Supervisors of the County of Livingston.

2. For all other projects, the Owner for the purpose of this local law shall be the owner of the premises upon which the renovation, repair, or construction project is proposed to be or is actually being constructed or performed.

“Permit Holder” shall mean the Person to whom a Building Permit has been issued.

“Person” shall include an individual, corporation, limited liability company, partnership, limited partnership, business trust, estate, trust, association, or any other legal or commercial entity of any kind or description.

“Premises”

1. For any projects under the direction of, initiated by, or in the possession or control of the County of Livingston, the Premises shall be any property owned by the County of Livingston, except property obtained or acquired by the County of Livingston under Article 11 of the Real Property Tax Law of the State of New York.
2. For all other projects, the Premises shall be the owner’s property upon which the renovation, repair, or construction project is proposed to be or is actually being constructed or performed.

“Stop Work Order” shall mean an order issued pursuant to Section 6 of this local law.

“Structure” shall mean an assembly of materials forming a construction framed of component structural parts for occupancy or use.

“Temporary Certificate” shall mean a certificate issued pursuant to subdivision (d) of Section 7 of this local law.

“Uniform Code” shall mean the New York State Uniform Fire Prevention and Building Code, as currently in effect and as hereafter amended from time to time.

### **SECTION 3. CODE ENFORCEMENT OFFICER AND INSPECTORS**

- (a) The office of the Livingston County Code Enforcement Officer is hereby created.

The Code Enforcement Officer shall administer and enforce all the provisions of the Uniform Code, the Energy Code and this local law. The Code Enforcement Officer shall have the following duties and powers:

- (1) to receive, review, and approve or disapprove applications for Building Permits, Certificates of Occupancy/Certificates of Compliance, Temporary Certificates and Operating Permits, and the plans, specifications and construction documents submitted with such applications;
- (2) upon approval of such applications, to issue Building Permits, Certificates of Occupancy/Certificates of Compliance, Temporary Certificates and Operating Permits, and to include in Building Permits, Certificates of Occupancy/Certificates of Compliance, Temporary Certificates and Operating Permits such terms and conditions as the Code Enforcement Officer may determine to be appropriate to ensure compliance with this local law;
- (3) to conduct construction inspections, inspections to be made prior to the issuance of Certificates of Occupancy/Certificates of Compliance, Temporary Certificates and Operating Permits, fire safety and property maintenance inspections, inspections incidental to the investigation of complaints, and all other inspections required or permitted under any provision of this local law;
- (4) to issue Stop Work Orders;
- (5) to review and investigate complaints;
- (6) to issue orders pursuant to subdivision (a) of Section 15 (Violations) of this local law;
- (7) to maintain records of building inspection program activities including, but not limited to, Building Permits, Construction Inspections, Certificates of Occupancy/Certificates of Compliance, Notices of Violation, Stop Work Orders, and Annual Inspections as required by the Uniform Code;
- (8) to collect fees as set by resolution of the Board of Supervisors of the County of Livingston and/or as specified pursuant to Section 16 of this local law;
- (9) to pursue administrative enforcement actions and proceedings;
- (10) in consultation with the County Attorney, to pursue such legal actions and proceedings as may be necessary to enforce the Uniform Code, the Energy Code and this local law, or to abate or correct conditions not in compliance with the Uniform Code, the Energy Code or this local law; and
- (11) Conduct annual fire prevention inspections of all buildings in the possession or control of the County of Livingston which contain or constitute areas of public assembly in accordance with Section 11, paragraph (a) herein;

(12) Once every 3 years, or more often as may be required by Section 11 herein, conduct a fire prevention inspection of all buildings in the possession or control of the County of Livingston which are not included within (11) above.

(13) to exercise all other powers and fulfill all other duties conferred upon the Code Enforcement Officer by this local law.

(b) The Code Enforcement Officer shall be appointed by the Board of Supervisors of the County of Livingston. The Code Enforcement Officer shall possess background experience related to building construction or fire prevention and shall, within the time prescribed by law, obtain such basic training, in-service training, advanced in-service training and other training as the State of New York shall require for code enforcement personnel, and the Code Enforcement Officer shall obtain certification from the New York State Secretary of State pursuant to Executive Law and the regulations promulgated thereunder.

(c) In the event that the Code Enforcement Officer is unable to serve as such for any reason, an individual shall be appointed by the Board of Supervisors of the County of Livingston to serve as Acting Code Enforcement Officer. The Acting Code Enforcement Officer shall, during the term of his or her appointment, exercise all powers and fulfill all duties conferred upon the Code Enforcement Officer by this local law.

(d) One or more Inspectors may be appointed by the Board of Supervisors of the County of Livingston to act under the supervision and direction of the Code Enforcement Officer and to assist the Code Enforcement Officer in the exercise of the powers and fulfillment of the duties conferred upon the Code Enforcement Officer by this local law. Each Inspector shall, within the time prescribed by law, obtain such basic training, in-service training, advanced in-service training and other training as the State of New York shall require for code enforcement personnel, and each Inspector shall obtain certification from the New York State Secretary of State pursuant to the Executive Law and the regulations promulgated thereunder.

(e) The compensation for the Code Enforcement Officer and Inspectors shall be fixed from time to time by the Board of Supervisors of the County of Livingston.

(f) The Board of Supervisors of the County of Livingston may, in its discretion, decline to fill any of the positions set forth in this section. Further, the Board of Supervisors, in its discretion, may contract under such terms and conditions as it deems acceptable for any of the services required in connection with the enforcement of the Uniform Code.

#### **SECTION 4. BUILDING PERMITS.**

(a) Building Permits Required. Except as otherwise provided in subdivision (b) of this section, a Building Permit shall be required for any work which must conform to the Uniform Code and/or the Energy Code, including, but not limited to, the construction, enlargement, alteration, improvement, removal, relocation or demolition of any building or structure or any portion thereof, and the installation of a solid fuel burning heating appliance, chimney or flue in any dwelling unit. No person shall commence any work for which a Building Permit is required without first having obtained a Building Permit from the Code Enforcement Officer.

(b) Exemptions. No Building Permit shall be required for work in any of the following categories:

(1) construction or installation of one story detached structures associated with one- or two-family dwelling or multiple single-family dwellings (townhouses) which are used for tool and storage, playhouses or similar uses, provided the gross floor area does not exceed 144 square feet (13.88 square meters);

(2) installation of swings and other playground equipment associated with a one or two-family dwelling or multiple single-family dwellings (townhouses);

(3) installation of swimming pools associated with a one- or two-family dwelling or multiple single-family dwellings (townhouses) where such pools are designed for a water depth of less than 24 inches and are installed entirely above ground;

(4) installation of fences which are not part of an enclosure surrounding a swimming pool;

(5) construction of retaining walls unless such walls support a surcharge or impound Class I, II, IIIA liquids;

(6) construction of temporary motion picture, television and theater stage sets and scenery;

(7) installation of window awnings supported by an exterior wall of a one- or two-family dwelling or multiple single-family dwellings (townhouses);

(8) installation of partitions or movable cases less than 5'-9" in height;  
 (9) painting, wallpapering, tiling, carpeting, or other similar finish work;  
 (10) installation of listed portable electrical, plumbing, heating, ventilation or cooling equipment or appliances;

(11) replacement of any equipment provided the replacement does not alter the equipment's listing or render it inconsistent with the equipment's original specifications; or

(12) repairs, provided that such repairs do not involve (i) the removal or cutting away of a loadbearing wall, partition, or portion thereof, or of any structural beam or load bearing component; (ii) the removal or change of any required means of egress, or the rearrangement of parts of a structure in a manner which affects egress; (iii) the enlargement, alteration, replacement or relocation of any building system; or (iv) the removal from service of all or part of a fire protection system for any period of time.

(c) Exemption Not Deemed Authorization to Perform Non-Compliant Work. The exemption from the requirement to obtain a building permit for work in any category set forth in subdivision (b) of this section shall not be deemed an authorization for work to be performed in violation of the Uniform Code or the Energy Code.

(d) Applications for Building Permits. Applications for a Building Permit shall be made in writing on a form provided by or otherwise acceptable to the Code Enforcement Officer. The application shall be signed by the owner of the property where the work is to be performed or an authorized agent of the owner. The application shall include such information as the Code Enforcement Officer deems sufficient to permit a determination by the Code Enforcement Officer that the intended work complies with all applicable requirements of the Uniform Code and Energy Code. The application shall include or be accompanied by the following information and documentation:

(1) a description of the proposed work;  
 (2) the tax map number and the street address of the premises where the work is to be performed;  
 (3) the occupancy classification of any affected building or structure;  
 (4) where applicable, a statement of special inspections prepared in accordance with the provisions of the Uniform Code; and

(5) at least 2 sets of construction documents (drawings and/or specifications) which (i) define the scope of the proposed work; (ii) are prepared by a New York State registered architect or licensed professional engineer where so required by the Education Law; (iii) indicate with sufficient clarity and detail the nature and extent of the work proposed; (iv) substantiate that the proposed work will comply with the Uniform Code and the Energy Code; and (v) where applicable, include a site plan that shows any existing and proposed buildings and structures on the site, the location of any existing or proposed well or septic system, the location of the intended work, and the distances between the buildings and structures and the lot lines.

(e) Construction Documents. Construction documents will not be accepted as part of an application for a Building Permit unless they satisfy the requirements set forth in paragraph (5) of subdivision (d) of this section. Construction documents which are accepted as part of the application for a Building Permit shall be marked as accepted by the Code Enforcement Officer in writing or by stamp. One set of the accepted construction documents shall be retained by the Code Enforcement Officer, and one set of the accepted construction documents shall be returned to the applicant to be kept at the work site so as to be available for use by the Code Enforcement Personnel. However, the return of a set of accepted construction documents to the applicant shall not be construed as authorization to commence work, nor as an indication that a Building Permit will be issued. Work shall not be commenced until and unless a Building Permit is issued.

(f) Issuance of Building Permits. An application for a Building Permit shall be examined to ascertain whether the proposed work is in compliance with the applicable requirements of the Uniform Code and Energy Code. The Code Enforcement Officer shall issue a Building Permit if the proposed work is in compliance with the applicable requirements of the Uniform Code and Energy Code.

(g) Building Permits to be Displayed. Building permits shall be visibly displayed at the work site and shall remain visible until the authorized work has been completed.

(h) Work to be in Accordance with Construction Documents. All work shall be performed in accordance with the construction documents which were submitted with and accepted as part of the application for the Building Permit. The Building Permit shall contain such a directive. The Permit Holder shall

immediately notify the Code Enforcement Officer of any change occurring during the course of the work. The Building Permit shall contain such a directive. If the Code Enforcement Officer determines that such change warrants a new or amended Building Permit, such change shall not be made until and unless a new or amended Building Permit reflecting such change is issued.

(i) Time Limits. Building Permits shall become invalid unless the authorized work is commenced within six (6) months following the date of issuance. Building Permits shall expire twelve (12) months after the date of issuance. A Building Permit which has become invalid or which has expired pursuant to this subdivision may be renewed upon application by the Permit Holder, payment of the applicable fee, and approval of the application by the Code Enforcement Officer.

(j) Revocation or Suspension of Building Permits. If the Code Enforcement Officer determines that a Building Permit was issued in error because of incorrect, inaccurate or incomplete information, or that the work for which a Building Permit was issued violates the Uniform Code or the Energy Code, the Code Enforcement Officer shall revoke the Building Permit or suspend the Building Permit until such time as the Permit Holder demonstrates that (1) all work then completed is in compliance with all applicable provisions of the Uniform Code and the Energy Code and (2) all work then proposed to be performed shall be in compliance with all applicable provisions of the Uniform Code and the Energy Code.

(k) Fee. The fee specified in or determined in accordance with the provisions set forth in Section 16 (Fees) of this local law must be paid at the time of submission of an application for a Building Permit, for an amended Building Permit, or for renewal of a Building Permit.

## **SECTION 5. CONSTRUCTION INSPECTIONS.**

(a) Work to Remain Accessible and Exposed. Work shall remain accessible and exposed until inspected and accepted by the Code Enforcement Officer or by an Inspector authorized by the Code Enforcement Officer. The Permit Holder shall notify the Code Enforcement Officer when any element of work described in subdivision (b) of this section is ready for inspection.

(b) Elements of Work to be Inspected. The following elements of the construction process shall be inspected, where applicable:

- (1) work site prior to the issuance of a Building Permit;
- (2) footing and foundation;
- (3) preparation for concrete slab;
- (4) framing;
- (5) building systems, including underground and rough-in, including electrical;
- (6) fire resistant construction;
- (7) fire resistant penetrations;
- (8) solid fuel burning heating appliances, chimneys, flues or gas vents;
- (9) Energy Code compliance; and
- (10) a final inspection after all work authorized by the Building Permit has been completed.

(c) Inspection Results. After inspection, the work or a portion thereof shall be noted as satisfactory as completed, or the Permit Holder shall be notified as to where the work fails to comply with the Uniform Code or Energy Code. Work not in compliance with any applicable provision of the Uniform Code or Energy Code shall remain exposed until such work shall have been brought into compliance with all applicable provisions of the Uniform Code and the Energy Code, reinspected, and found satisfactory as completed.

(d) Fee. The fee specified in or determined in accordance with the provisions set forth in Section 16 (Fees) of this local law must be paid prior to or at the time of each inspection performed pursuant to this section.

## **SECTION 6. STOP WORK ORDERS.**

(a) Authority to Issue. The Code Enforcement Officer is authorized to issue Stop Work Orders pursuant to this section. The Code Enforcement Officer shall issue a Stop Work Order to halt:

(1) any work that is determined by the Code Enforcement Officer to be contrary to any applicable provision of the Uniform Code or Energy Code, without regard to whether such work is or is not work for which a Building Permit is required, and without regard to whether a Building Permit has or has not been issued for such work, or

(2) any work that is being conducted in a dangerous or unsafe manner in the

opinion of the Code Enforcement Officer, without regard to whether such work is or is not work for which a Building Permit is required, and without regard to whether a Building Permit has or has not been issued for such work, or

(3) any work for which a Building Permit is required which is being performed without the required Building Permit, or under a Building Permit that has become invalid, has expired, or has been suspended or revoked.

(b) Content of Stop Work Orders. Stop Work Orders shall (1) be in writing, (2) be dated and signed by the Code Enforcement Officer, (3) state the reason or reasons for issuance, and (4) if applicable, state the conditions which must be satisfied before work will be permitted to resume.

(c) Service of Stop Work Orders. The Code Enforcement Officer shall cause the Stop Work Order, or a copy thereof, to be served on the owner of the affected property (and, if the owner is not the Permit Holder, on the Permit Holder) personally or by certified mail. The Code Enforcement Officer shall be permitted, but not required, to cause the Stop Work Order, or a copy thereof, to be served on any builder, architect, tenant, contractor, subcontractor, construction superintendent, or their agents, or any other person taking part or assisting in work affected by the Stop Work Order, personally or by certified mail provided, however, that failure to serve any person mentioned in this sentence shall not affect the efficacy of the Stop Work Order.

(d) Effect of Stop Work Order. Upon the issuance of a Stop Work Order, the owner of the affected property, the Permit Holder and any other person performing, taking part in or assisting in the work shall immediately cease all work which is the subject of the Stop Work Order.

(e) Remedy Not Exclusive. The issuance of a Stop Work Order shall not be the exclusive remedy available to address any event described in subdivision (a) of this section, and the authority to issue a Stop Work Order shall be in addition to, and not in substitution for or limitation of, the right and authority to pursue any other remedy or impose any other penalty under Section 15 (Violations) of this local law or under any other applicable local law or State law. Any such other remedy or penalty may be pursued at any time, whether prior to, at the time of, or after the issuance of a Stop Work Order.

## **SECTION 7. CERTIFICATES OF OCCUPANCY/CERTIFICATES OF COMPLIANCE**

(a) Certificates of Occupancy/Certificates of Compliance Required. A Certificate of Occupancy/Certificate of Compliance shall be required for any work which is the subject of a Building Permit and for all structures, buildings, or portions thereof, which are converted from one use or occupancy classification or subclassification to another. Permission to use or occupy a building or structure, or portion thereof, for which a Building Permit was previously issued shall be granted only by issuance of a Certificate of Occupancy/Certificate of Compliance.

(b) Issuance of Certificates of Occupancy/Certificates of Compliance. The Code Enforcement Officer shall issue a Certificate of Occupancy/Certificate of Compliance if the work which was the subject of the Building Permit was completed in accordance with all applicable provisions of the Uniform Code and Energy Code and, if applicable, that the structure, building or portion thereof that was converted from one use or occupancy classification or subclassification to another complies with all applicable provisions of the Uniform Code and Energy Code. The Code Enforcement Officer or an Inspector authorized by the Code Enforcement Officer shall inspect the building, structure or work prior to the issuance of a Certificate of Occupancy/Certificate of Compliance. In addition, where applicable, the following documents, prepared in accordance with the provisions of the Uniform Code by such person or persons as may be designated by or otherwise acceptable to the Code Enforcement Officer, at the expense of the applicant for the Certificate of Occupancy/Certificate of Compliance, shall be provided to the Code Enforcement Officer prior to the issuance of the Certificate of Occupancy/Certificate of Compliance:

(1) a written statement of structural observations and/or a final report of special inspections, and

(2) flood hazard certificates.

(c) Contents of Certificates of Occupancy/Certificates of Compliance. A Certificate of Occupancy/Certificate of Compliance shall contain the following information:

(1) The Building Permit number, if any;

(2) The date of issuance of the Building Permit, if any;

(3) the name, address and tax map number of the property;

(4) if the Certificate of Occupancy/Certificate of Compliance is not applicable to

an entire structure, a description of that portion of the structure for which the Certificate of Occupancy/Certificate of Compliance is issued;

- (5) the use and occupancy classification of the structure;
- (6) the type of construction on the structure;
- (7) the assembly occupant load of the structure, if any;
- (8) if an automatic sprinkler system is provided, a notation as to whether the sprinkler system is required;

(9) any special conditions imposed in connection with the issuance of the Building Permit; and

(10) the signature of the Code Enforcement Officer issuing the Certificate of Occupancy/Certificate of Compliance and the date of issuance.

(d) Temporary Certificate. The Code Enforcement Officer shall be permitted to issue a Temporary Certificate allowing the temporary occupancy of a building or structure, or a portion thereof, prior to completion of the work which is the subject of a Building Permit. However, in no event shall the Code Enforcement Officer issue a Temporary Certificate unless the Code Enforcement Officer determines (1) that the building or structure, or the portion thereof covered by the Temporary Certificate, may be occupied safely, (2) that any fire- and smoke-detecting or fire protection equipment which has been installed is operational, and (3) that all required means of egress from the building or structure have been provided. The Code Enforcement Officer may include in a Temporary Certificate such terms and conditions as he or she deems necessary or appropriate to ensure safety or to further the purposes and intent of the Uniform Code. A Temporary Certificate shall be effective for a period of time, not to exceed 6 months, which shall be determined by the Code Enforcement Officer and specified in the Temporary Certificate. During the specified period of effectiveness of the Temporary Certificate, the Permit Holder shall undertake to bring the building or structure into full compliance with all applicable provisions of the Uniform Code and Energy Code.

(e) Revocation or Suspension of Certificates. If the Code Enforcement Officer determines that a Certificate of Occupancy/Certificate of Compliance or a Temporary Certificate was issued in error because of incorrect, inaccurate or incomplete information, and if the relevant deficiencies are not corrected to the satisfaction of the Code Enforcement Officer within such period of time as shall be specified by the Code Enforcement Officer, the Code Enforcement Officer shall revoke or suspend such certificate.

(f) Fee. The fee specified in or determined in accordance with the provisions set forth in Section 16 (Fees) of this local law must be paid at the time of submission of an application for a Certificate of Occupancy/Certificate of Compliance or for Temporary Certificate.

## **SECTION 8. NOTIFICATION REGARDING FIRE OR EXPLOSION.**

The chief of any fire department providing fire fighting services for a property within this County shall promptly notify the Code Enforcement Officer of any fire or explosion involving any structural damage, fuel burning appliance, chimney or gas vent for any building or structure in the possession or control of the County.

## **SECTION 9. UNSAFE BUILDING AND STRUCTURES**

Unsafe structures and equipment in the possession or control of the County shall be identified and addressed in accordance with the following procedures:

(a) If during the course of any routine inspection or inspection done in response to a complaint or request, the Code Enforcement Officer shall discover any building, structure, or premises in the possession or control of the County that he or she deems to be unsafe for occupancy or use and constituting an imminent threat to the health and safety of employees, or contractors, or consultants of the County of Livingston or to the general public, the Code Enforcement Officer shall immediately issue a Declaration of Unsafe Building Certificate to the County Attorney and County Administrator.

(b) The County Administrator or his designee in consultation with the Code Enforcement Officer and such other County personnel as the County Administrator deems necessary and prudent, shall take immediate steps to protect the health and safety of all affected parties as are reasonable and prudent.

(c) The Code Enforcement Officer shall set forth the conditions upon which said Declaration of Unsafe Building shall be cancelled. These may include structural or other engineering inspections and/or analyses performed by an engineer possessing a currently valid license issued by the New York State Department of Education, inspection by the local gas utility, and/or inspections by other competent professionals as are determined necessary in the opinion of the Code Enforcement Officer.

(d) No such Declaration of Unsafe Building shall be cancelled except by the Code Enforcement Officer stamping "CANCELLED" upon such Declaration of Unsafe Building and attaching a statement documenting the reason or reasons addressing each concern or issue noted in the original Declaration and including a

copy of any inspections or analyses performed pursuant to (c) above. Each such revocation shall be issued to the County Attorney and County Administrator.

## **SECTION 10. OPERATING PERMITS.**

(a) Operating Permits Required. Operating Permits shall be required for conducting the activities or using the categories of buildings listed below:

- (1) Manufacturing, storing or handling hazardous materials in quantities exceeding those listed in Tables 2703.1.1(1), 2703.1.1(2), 2703.1.1(3) or 2703.1.1(4) in the publication entitled "Fire Code of New York State" and incorporated by reference in 19 NYCRR Section 1225.1;
- (2) hazardous processes and activities, including but not limited to, commercial and industrial operations which produce combustible dust as a byproduct, fruit and crop ripening, and waste handling;
- (3) use of pyrotechnic devices in assembly occupancies or areas of public assembly;
- (4) Buildings containing one or more areas of public assembly with an occupant load of 100 persons or more; and
- (5) Buildings whose use or occupancy classification may pose a substantial potential hazard to public safety, as determined by resolution adopted by the Board of Supervisors of the County of Livingston.

Any person who proposes to undertake any activity or to operate any type of building listed in this subdivision (a) shall be required to obtain an Operating Permit prior to commencing such activity or operation.

(b) Applications for Operating Permits. An application for an Operating Permit shall be in writing on a form provided by or otherwise acceptable to the Code Enforcement Officer. Such application shall include such information as the Code Enforcement Officer deems sufficient to permit a determination by the Code Enforcement Officer that quantities, materials, and activities conform to the requirements of the Uniform Code. If the Code Enforcement Officer determines that tests or reports are necessary to verify conformance, such tests or reports shall be performed or provided by such person or persons as may be designated by or otherwise acceptable to the Code Enforcement Officer, at the expense of the applicant.

(c) Inspections. The Code Enforcement Officer or an Inspector authorized by the Code Enforcement Officer shall inspect the subject premises prior to the issuance of an Operating Permit.

(d) Multiple Activities. In any circumstance in which more than one activity listed in subdivision (a) of this section is to be conducted at a location, the Code Enforcement Officer may require a separate Operating Permit for each such activity, or the Code Enforcement Officer may, in his or her discretion, issue a single Operating Permit to apply to all such activities.

(e) Duration of Operating Permits. Operating Permits shall remain in effect until reissued, renewed, revoked, or suspended.

(f) Revocation or Suspension of Operating Permits. If the Code Enforcement Officer determines that any activity or building for which an Operating Permit was issued does not comply with any applicable provision of the Uniform Code, such Operating Permit shall be revoked or suspended.

(g) Fee. The fee specified in or determined in accordance with the provisions set forth in Section 16 (Fees) of this local law must be paid at the time submission of an application for an Operating Permit, for an amended Operating Permit, or for reissue or renewal of an Operating Permit.

## **SECTION 11. FIRE SAFETY AND PROPERTY MAINTENANCE INSPECTIONS**

(a) Inspections Required. Fire safety and property maintenance inspections of buildings and structures shall be performed by the Code Enforcement Officer or an Inspector designated by the Code Enforcement Officer at the following intervals:

- (1) Fire safety and property maintenance inspections of buildings or structures which contain an area of public assembly shall be performed at least once every twelve (12) months.
- (2) Fire safety and property maintenance inspections of buildings or structures being occupied as dormitories shall be performed at least once every twelve (12) months.
- (3) Fire safety and property maintenance inspections of all multiple dwellings not included in paragraphs (1) or (2) of this subdivision, and all non-residential buildings, structures, uses and occupancies not included in paragraphs (1) or (2) of this subdivision, shall be performed at least once every 36 months.

(b) Inspections Permitted. In addition to the inspections required by subdivision (a) of

this section, a fire safety and property maintenance inspection of any building, structure, use, or occupancy, or of any dwelling unit, may also be performed by the Code Enforcement Officer or an Inspector designated by the Code Enforcement Officer at any time upon:

(1) the request of the owner of the property to be inspected or an authorized agent of such owner;

(2) receipt by the Code Enforcement Officer of a written statement alleging that conditions or activities failing to comply with the Uniform Code or Energy Code exist; or

(3) receipt by the Code Enforcement Officer of any other information, reasonably believed by the Code Enforcement Officer to be reliable, giving rise to reasonable cause to believe that conditions or activities failing to comply with the Uniform Code or Energy Code exist; provided, however, that nothing in this subdivision shall be construed as permitting an inspection under any circumstances under which a court order or warrant permitting such inspection is required, unless such court order or warrant shall have been obtained.

(c) **OFPC Inspections.** Nothing in this section or in any other provision of this local law shall supersede, limit or impair the powers, duties and responsibilities of the New York State Office of Fire Prevention and Control ("OFPC") and the New York State Secretary of State under Executive Law Section 156-e and Educational Law Section 807-b.

(d) **Fee.** The fee specified in or determined in accordance with the provisions set forth in Section 16 (Fees) of this local law must be paid prior to or at the time each inspection performed pursuant to this section. This subdivision shall not apply to inspections performed by OFPC.

## **SECTION 12. COMPLAINTS**

The Code Enforcement Officer shall review and investigate complaints which allege or assert the existence of conditions or activities that fail to comply with the Uniform Code, the Energy Code, this local law, or any other local law or regulation adopted for administration and enforcement of the Uniform Code or the Energy Code. The process for responding to a complaint shall include the following steps as the Code Enforcement Officer may deem to be appropriate:

(a) performing an inspection of the conditions and/or activities alleged to be in violation, and documenting the results of such inspection;

(b) if a violation is found to exist, providing the owner of the affected property and any other person who may be responsible for the violation with notice of the violation and opportunity to abate, correct or cure the violation, or otherwise proceeding in the manner described in Section 15 (Violations) of this local law;

(c) if appropriate, issuing a Stop Work Order;

(d) if a violation which was found to exist is abated or corrected, performing an inspection to ensure that the violation has been abated or corrected, preparing a final written report reflecting such abatement or correction, and filing such report with the complaint.

## **SECTION 13. RECORD KEEPING.**

(a) The Code Enforcement Officer shall keep permanent official records of all transactions and activities conducted by all Code Enforcement Personnel, including records of:

(1) all applications received, reviewed and approved or denied;

(2) all plans, specifications and construction documents approved;

(3) all Building Permits, Certificate of Occupancy/Certificates of Compliance, Temporary Certificates, Stop Work Orders, and Operating Permits issued;

(4) all inspections and tests performed;

(5) all statements and reports issued;

(6) all complaints received;

(7) all investigations conducted;

(8) all other features and activities specified in or contemplated by Sections 4 through 12 of this local law;

(9) all fees charged and collected.

(b) All such records shall be public records open for public inspection during normal business hours. All plans and records pertaining to buildings or structures, or appurtenances thereto, shall be retained for at least the minimum time period so required by State law and regulation.

## **SECTION 14. PROGRAM REVIEW AND REPORTING**

(a) The Code Enforcement Officer shall annually submit to the Board of Supervisors of

the County of Livingston a written report and summary of all business conducted by the Code Enforcement Officer and the Inspectors, including a report and summary of all transactions and activities described in Section 13 (Record Keeping) of this local law and a report and summary of all appeals or litigation pending or concluded.

(b) The Code Enforcement Officer shall annually submit to the Secretary of State, on behalf of the County of Livingston, on a form prescribed by the Secretary of State, a report of the activities of the County of Livingston relative to administration and enforcement of the Uniform Code.

(c) The Code Enforcement Officer shall, upon request of the New York State Department of State, provide to the New York State Department of State, from the records and related materials the County of Livingston is required to maintain, excerpts, summaries, tabulations, statistics and other information and accounts of the activities of the County of Livingston in connection with the administration and enforcement of the Uniform Code.

## **SECTION 15. VIOLATIONS**

(a) Compliance Order. The Code Enforcement Officer is authorized to order in writing the remedying of any condition of activity found to exist in, on or about any building, structure, or premises in violation of the Uniform Code, the Energy Code, or this local law. Upon finding that any such condition or activity exists, the Code Enforcement Officer shall issue a Compliance Order. The Compliance Order shall (1) be in writing; (2) be dated and signed by the Code Enforcement Officer; (3) specify the condition or activity that violates the Uniform Code, the Energy Code, or this local law; (4) specify the provision or provisions of the Uniform Code, the Energy Code, or this local law which is/are violated by the specified condition or activity; (5) specify the period of time which the Code Enforcement Officer deems to be reasonably necessary for achieving compliance; (6) direct that compliance be achieved within the specified period of time; and (7) state that an action or proceeding to compel compliance may be instituted if compliance is not achieved within the specified period of time. The Code Enforcement Officer shall cause the Compliance Order, or a copy thereof, to be served on the owner of the affected property personally or by certified mail. The Code Enforcement Officer shall be permitted, but not required, to cause the Compliance Order, or a copy thereof, to be served on any builder, architect, tenant, contractor, subcontractor, construction superintendent, or their agents, or any person taking part or assisting in work being performed at the affected property personally or by certified mail; provided, however, that failure to serve any person mentioned in this sentence shall not affect the efficacy of the Compliance Order.

(b) Appearance Tickets. The Code Enforcement Officer and each Inspector are authorized to issue appearance tickets for any violation of the Uniform Code. However, the Code Enforcement Officer and any Inspector is not required to issue appearance tickets and may elect to enforce this local law through other means as provided herein.

(c) Civil Penalties. In addition to those penalties prescribed by State law, any person who violates any provision of the Uniform Code, the Energy Code or this local law, or any term or condition of any Building Permit, Certificate of Occupancy/Certificate of Compliance, Temporary Certificate, Stop Work Order, Operating Permit or other notice or order issued by the Code Enforcement Officer pursuant to any provision of this local law, shall be liable to a civil penalty of not more than \$200.00 for each day or part thereof during which such violation continues. The civil penalties provided by this subdivision shall be recoverable in an action instituted in the name of the County of Livingston.

(d) Injunctive Relief. An action or proceeding may be instituted in the name of the County of Livingston, in a court of competent jurisdiction, to prevent, restrain, enjoin, correct, or abate any violation of, or to enforce, any provision of the Uniform Code, the Energy Code, this local law, or any term or condition of any Building Permit, Certificate of Occupancy/Certificate of Compliance, Temporary Certificate, Stop Work Order, Operating Permit, Compliance Order, or other notice or order issued by the Code Enforcement Officer pursuant to any provision of this local law. In particular, but not by way of limitation, where the construction or use of a building or structure is in violation of any provision of the Uniform Code, the Energy Code, this local law, or any Stop Work Order, Compliance Order or other order obtained under the Uniform Code, the Energy Code or this local law, an action or proceeding may be commenced in the name of the County of Livingston, in the Supreme Court or in any other court having the requisite jurisdiction, to obtain an order directing the removal of the building or structure or an abatement of the condition in violation of such provisions. No action or proceeding described in this subdivision shall be commenced without the appropriate authorization from the County Attorney and County Administrator.

(e) Remedies Not Exclusive. No remedy or penalty specified in this section shall be the exclusive remedy or penalty available to address any violation described in this section, and each remedy or penalty specified in this section shall be in addition to, and not in substitution for or limitation of, the other remedies or

penalties specified in this section, in Section 6 (Stop Work Orders) of this local law, in any other section of this local law, or in any other applicable law. Any remedy or penalty specified in this section may be pursued at any time, whether prior to, simultaneously with, or after the pursuit of any other remedy or penalty specified in this section, in Section 6 (Stop Work Orders) of this local law, in any other section of this local law, or in any other applicable law. In particular, but not by way of limitation, each remedy and penalty specified in this section shall be in addition to, and not in substitution for or limitation of, the penalties specified in subdivision (2) of Section 381 of the Executive Law, and any remedy or penalty specified in this section may be pursued at any time, whether prior to, simultaneously with, or after the pursuit of any penalty specified in subdivision (2) of Section 381 of the Executive Law.

#### **SECTION 16. FEES**

A fee schedule for buildings not in possession or control of the County may be established by resolution of the Board of Supervisors of the County of Livingston. Such fee schedule may thereafter be amended from time to time by like resolution. The fees set forth in, or determined in accordance with, such fee schedule or amended fee schedule shall be charged and collected for the submission of applications, the issuance of Building Permits, amended Building Permits, renewed Building Permits, Certificates of Occupancy, Certificates of Compliance, Temporary Certificates, Operating Permits, fire safety and property maintenance inspections, and other actions of the Code Enforcement Officer described in or contemplated by this local law.

#### **SECTION 17. PARTIAL INVALIDITY**

If any section of this local law shall be held unconstitutional, invalid, or ineffective, in whole or in part, such determination shall not be deemed to affect, impair, or invalidate the remainder of this local law.

#### **SECTION 18. EFFECTIVE DATE**

This local law shall take effect immediately upon filing in the office of the New York State Secretary of State in accordance with section 27 of the Municipal Home Rule Law.
