**PRIVILEGES OF THE FLOOR**

1. DIANE DEANE, COMMISSIONER OF SOCIAL SERVICES  
- DEPARTMENTAL UPDATE

Mrs. Deane reviewed the services offered by the Department of Social Services to Livingston County residents. The Department Mission Statement-To provide quality services with fairness, respect and compassion in order to do the two most important things...Promote Self Sufficiency and Protect the Vulnerable. People come to the agency for financial assistance and help with their family. The Department really tries to get ahead of a situation by utilizing prevention strategies. The Department of Social Services partners with many other agencies, for example, partnering with Workforce Development helping people with employment skills and to get jobs. Approximately 1/3 of county residents are receiving some kind of service from Social Services. There was discussion on where Livingston County ranks among the other counties in New York State with regard to this percentage, Mrs. Deane will follow up with more information from other counties to answer that question. Mrs. Deane always keeps the staff in her thoughts - these are people serving people and all decisions that are made have some kind of effect on both those who serve, as well as those who are served. All kinds of collaborations take place to help our citizens. There was discussion on how many homeless people are in Livingston County. 85 was our "PIT" number last year. Here in Livingston County we do a good job in keeping people off the streets.

New Department Heads who are eligible for health insurance benefits and forego such benefits are eligible for a prorated drop payment in their first year as a Department Head.
  - ii. Procedure to obtain benefit. In order to receive a drop payment, a Department Head must submit a written request for the payment and provide an affidavit to the Personnel Office proving that he/she has health insurance coverage through another source. Such written request and affidavit must be provided between March 15 and April 15 of the year in which payment is requested.
  - iii. Date of payment. Drop payments will be made in the first pay period of June each year.
  - iv. Amount of payment. The amount of the drop payment will be based upon the level of coverage (e.g. two person, family, etc.) the employee would have received. Payment amounts for those employees who went without coverage for a full year (June 1 through May 31) are as follows:
    - (a) Dropped individual coverage: \$1,800;

(b) Dropped two person or family no spouse coverage: \$2,700; or

(c) Dropped family coverage: \$3,600.

e. **Retiree Health Insurance.**

i. Eligibility. Full-time Department Heads hired before November 8, 2006, who are eligible for and receive County health insurance benefits immediately preceding retirement shall be eligible for retiree health insurance benefits if they meet the eligibility criteria set forth in the CSEA full-time employee unit contract unless they have waived their right to this benefit in order to participate in the deferred compensation matching plan. Eligible employees who elect this benefit shall be responsible to pay the same percentage of the cost of such insurance that they paid as active employees. Full-time Department Heads hired on or after November 8, 2006 are not eligible for retiree health insurance benefits paid in whole or in part by the County, but may purchase such insurance through the County if they participated in the deferred compensation matching plan immediately preceding retirement.

ii. Alternate health insurance coverage. If any former Department Head receiving retiree health insurance benefits paid in whole or in part by the County establishes permanent residency outside of the County's health insurance plan(s) service area, he/she may purchase alternative health insurance and the County will reimburse the retiree for the cost of such alternative coverage up to the County's share of the cost of coverage provided by the County immediately preceding the change in coverage.

f. **Health Insurance for Dependents Following Death of Department Head.** In the event that a Department Head dies in service, health insurance benefits for covered family members will be continued on the same basis as provided to CSEA full-time unit employees under the terms of their collective bargaining agreement.
