

PUBLIC SERVICES COMMITTEE MEETING MINUTES
WEDNESDAY, MARCH 5, 2013
1:30 P.M.

PRESENT: G. Deming, C. DiPasquale, D. Knapp, E. Gott, D. LeFeber, P. Yendell, L. Semmel, D. Mahus, I. Coyle, Lauren Pszonak-Genesee Sun/SUNY Geneseo Intern

ABSENT: D. Babbitt Henry, W. Wadsworth

1:30 COUNTY CLERK – JIM CULBERTSON

Pre-approved Informational Item(s) To Be Reported

1. REPORT OF COUNTY CLERK'S 2013 ANNUAL REPORT – Mr. Culbertson explained that he will be reviewing financial information today and Mary Strickland and Kathy Olsen will be reviewing projects on each side respectively. Mr. Culbertson reviewed the budget and financial report for 2013. While deeds and mortgages recorded are down, mortgage tax received by the County Clerk is up. Pistol permits continue to go up. There was discussion regarding the rise in notary fees due to the 2 year to 4 year renewal cycle. Mrs. Strickland explained that the E-recording program has been very successful. They have now started accepting RP5217 PDF forms and scanning civil and criminal actions. The original documents are being stored in a box until they are destroyed. This allows them to stop filing in the office. State law now states that the scanned document is the original. Eventually, all files will be electronic. Mr. Culbertson explained that they will be E-filing civil files. Criminal files are not open to the public. They will be reevaluating their office layout to better serve their customers. Mr. Culbertson explained that he originally requested an additional part time position, but he would like to wait until they can determine what is going to happen. The office layout will need to be reviewed before anyone is hired because the only available space is over past the abstractors. Mrs. Olson distributed information on a flyer she is planning to post letting people know what services are available. She has been working with local car dealers and offering training to keep their business in the County. She has been promoting BuyLocal and having people renew in the office or even mailing to the local DMV. Mrs. Olson reviewed changes made in 2013 and what they have been working on for 2014. Mrs. Olson has been working with many individuals wintering in the south that have purchased new vehicles and members of the military with any questions. Mrs. Olson distributed a list of 2013 mailbags and the Commissioner's Regulations. Mr. Culbertson reviewed the registration/renewal report for 2013. The County keeps 12.8% of these dollars. There have been a lot of episodes of down time with the state computer system. The state no longer has a dedicated IT department. The DMV scanner does not recognize the new polycarbonate license and two people are needed to override the problem. There was discussion regarding the medical certification expirations for CDL licenses. There is no notice sent out when the certification expires.

SHERIFF – SHERIFF THOMAS DOUGHERTY

Pre-approved Informational Item(s) To Be Reported

1. DISCUSSION OF VEHICLE PURCHASE OUT OF LCSO ASSET FORFEITURE – Sheriff Dougherty explained the problems with the narcotics unit vehicle and service work. The Sheriff was looking for a used SUV to be purchased out of drug asset forfeiture money. The Sheriff had Investigator Wiedrich do some research and he found a Dodge Durango with 65,000 miles for \$13,500. While he was getting three similar vehicles and prices, that vehicle sold. The Sheriff would like to get preapproval that when they find another acceptable vehicle, the purchase can be approved directly by the County Administrator. This vehicle will be an undercover vehicle. Typically, Sheriff vehicle purchases must go through Public Services and then the Ways and Means Committee. There is approximately \$60,000 in the drug forfeiture account. The Drug Task Force is doing a great job since they started.

Motion: Mr. DiPasquale moved and Mr. Wadsworth seconded to authorize the Sheriff to purchase an undercover vehicle with drug asset forfeiture funds outside of the normal purchasing policy guidelines with approval from the County Administrator..... Carried.

4. AUTHORIZING PURCHASE OF A MOHAWK STATIONARY HYDRAULIC LIFT THROUGH NYSOGS CONTRACT #PC64743 – MOHAWK LIFTS

WHEREAS, the County Highway Superintendent has determined it is necessary to replace an existing 1996 Rotary 12,000#-capacity drive-on hydraulic lift in the Mechanic's Shop, now, therefore, be it

RESOLVED, that the County Highway Superintendent is authorized to purchase one, new Mohawk Model TP-20 Two-Post, Heavy-Duty Stationary Hydraulic Lift (20,000# capacity) through NYSOGS Contract #PC64743.

<u>Contract</u>	<u>Amount</u>
Mohawk Lifts	\$32,302.32

65 Vrooman Ave.

Amsterdam, NY 12010

For: Purchase of one, new, Mohawk Model TP-20 Two-Post, Heavy-Duty Stationary Hydraulic Lift (20,000#- capacity) for the Mechanic Shop, through NYSOGS Contract #PC64743. The cost is not to exceed the amount indicated.

Dated at Geneseo, New York

March 12, 2014

Public Services Committee

Director's Comment: This proposed purchase will replace the existing 1996 Rotary 12,000#-capacity drive-on hydraulic lift. This lift was purchased in 1996, and was transplanted from the old Conesus shop. The existing lift needs various repair work, estimated in the \$6,000 - \$7,000 range. (We paid \$6,220 for it in 1996.)

The new lift will provide more capacity, thus enabling larger vehicles to be serviced on it. The Two-Post configuration will also provide easier access to the vehicle.

<i>Funding Source</i>	<i>Local Share</i>	<i>Budgeted ?</i>
County Highway Budget Appropriations	100%	Yes XX No

Mr. Coyle explained that this is a replacement hydraulic lift for the mechanic's shop. The current lift is long past its usable life.

Motion: Mr. DiPasquale moved and Mr. LeFeber to approve the foregoing resolution..... Carried.

5. APPROVING HOURLY RATE TO BE PAID FOR TOWN 10-WHEEL DUMP TRUCKS WHILE ENGAGED IN COUNTY HIGHWAY MAINTENANCE & CONSTRUCTION WORK THROUGH THE END OF 2014

WHEREAS, the hourly reimbursement rate for the year 2013 for Town 10-Wheel Dump Trucks (including operator) was \$83.00 (regular time) and \$93.00 (overtime), and,

WHEREAS, the 2014 Annual Equipment Rental bid prices for contractor 10-wheel dump trucks decreased by an average of 0.2%, now, therefore be it

RESOLVED, that the hourly rate of \$83.00 (regular time) and \$93.00 (overtime) for the year 2014 is established for reimbursement to Towns for use of all 10-Wheel Dump Trucks, including operator, while engaged in local County Highway maintenance and construction work, and, be it further

RESOLVED, that said hourly rate shall not apply to long-range hauling of materials to project sites from gravel, stone or asphalt sources, in which case a “per-ton” or “per-cubic-yard” price will be negotiated with the Town, based upon current Annual County Bid prices, and be it further

RESOLVED, that said hourly rates of \$83.00 (regular time) and \$93.00 (overtime) shall remain in effect through the end of 2014.

Mr. Coyle explained that historically this contract is based upon what the annual equipment rental price is and that price has gone down. While we don’t want to lower the rate, we would like to keep the rate the same.

Motion: Mr. Knapp moved and Mr. Gott to approve the foregoing resolution..... Carried.

Mr. Coyle explained that the next three Highway resolutions are for capital improvement projects.

- (4) S 15° 48' 50" W, a distance of 103.14' to a point; thence
- (5) S 30° 33' 30" W, a distance of 77.80' to the TRUE POINT OF BEGINNING.

Intending to convey a parcel of land, containing 0.097 Acre, more or less, according to Parcel "C" of an instrument survey map prepared January 7, 2014 by David M. Simolo, Licensed Land Surveyor No. 050330.

SUBJECT to covenants, easements and restrictions of record, if any, which may affect the herein-described premises and further subject to the rights of the public and others.

BEING and hereby intending to describe a portion of lands lying between the assumed southeasterly highway line of County Road No. 9 and the assumed former centerline of Old Ossian Hill Road.

This conveyance is made and accepted subject to such grants, easements, reservations, covenants, agreements, leases and restrictions of record in the Livingston County Clerk's Office, as may pertain to or affect the above described premises.

The County Attorney explained that the County realigned Ossian Hill Road several years ago and the adjoining property owner would like to obtain the discontinued portion. This action is similar to what is done on West Lake Road with the abandoned right of way.

Motion: Mr. DiPasquale moved and Mr. Knapp seconded to approve the foregoing resolution .. Carried.

4. APPOINTING VOTING REPRESENTATIVE(S) TO THE INTER-COUNTY ASSOCIATION OF WESTERN NEW YORK FOR THE YEAR 2014 – MARK J. SCHUSTER

RESOLVED, that the following member(s) are hereby appointed to the Inter-County Association of Western New York for the year 2014 for the term designated:

Name	Address	Rep./Title	Term
Mark J. Schuster	6464 Liberty Pole Rd, Dansville, NY 14437	Supervisor/T of Sparta	1/1/14-12/31/14

Motion: Mr. Wadsworth moved and Mr. Gott seconded to approve the foregoing resolution Carried.

Mr. Coyle updated the Committee on the \$6MM 911 Grant and, with the 2 year window he is hoping to get the RFP out for the consultant services this Friday. Part of the funding went toward the interoperability improvements for the communications infrastructure for the County of 911. Money was put in for site acquisition and tower installs, which includes landowner approvals, local planning interface, etc. There was discussion regarding the increasing costs for two of the existing towers.

Mr. Gott reviewed the STOP DWI Program and explained the discussions that took place to take the coordinator title away from the Sheriff at the time of Sheriff York's retirement. There was discussion regarding the Attorney General's opinion that the Sheriff should not be the coordinator. Local agencies feel that there needs to be a more equitable profit sharing with the other agencies. While this is a Chairman appointment, Chairman Gott is

going to include the Board in this discussion. Chairman Gott reported on the original meeting he held with the County Administrator, the Public Services Committee Chairman and Sheriff Dougherty to discuss the program and how we felt it should be done by the County. The Sheriff felt that the program runs deep in his agency and he can run the program fairly. At the last Law Enforcement Council a recommendation was made that Sheriff Dougherty be appointed to this position. Another meeting was held yesterday to talk about fairness and funding with the Mr. Deming, Sheriff Dougherty, Probation Director, Lynn Mignemi, Assistant District Attorney, Victor Rowecliffe and Geneseo Police Chief Eric Osganian, representing the police chiefs. The Probation Department should have been included as a funding recipient from the program and never has received funding in the past. The Chairman and Mr. Deming met separately with the Sheriff about compensation for the position. Previously the Coordinator received \$23,000, we were proposing \$10,000. The Sheriff would need to work with the County Administrator to realign the STOP DWI budget line items that may fit more appropriately as a general county line items. There was discussion about realigning some of the percentages for the secretarial duties. Mr. Gott is confident that she is not 100% STOP DWI. They agreed to set it up as 75% and 25% as county subject to changes when she is back from leave. There is a law available on how the program should be run. The Sheriff and the County Administrator will be meeting to work on following the law as closely as possible. There was discussion on enforcement, bringing the County portion down and some administrative savings that could be put toward probation. Mr. Deming explained that this appointment would only be for 2014 and that we will be monitoring the program and looking at it more closely than we have in the past. There was also discussion about the take home vehicles and there will be more discussion on that. The Sheriff has realigned the DWI shifts to cover the happy hours and the ticket numbers have been staggering. Chairman Gott and Mr. Deming are recommending that the Sheriff be the STOP DWI Coordinator for 2014. The District Attorney's office has made it clear that they do not want any funding from this program. They will continue to prosecute offenders to get them off roads. Chairman Gott stated that he did make it clear that the County could run this program and program success will be reviewed at a later date. All parties agree that it is best to run the program through the Sheriff's Department. Mr. Deming explained that some counties run this program through the Probation Department. The STOP DWI Committee will continue to meet on a regular basis. Mr. Mahus questioned whether there will be a better understanding of how the program operates and who does what compared to what was done in the past. Chairman Gott and the County Administrator explained the law explains how the program will be run. There was discussion on how, in the past, a lot of the program was laid out to increase employees, on somebody else's nickel and they weren't actually doing the work that the grant was paying for. A lot of other work was being done.

Mr. Coyle explained that we fund three full time deputies and one full time administrative clerk out of the program, 100% salary and benefits, along with \$23,000 allocation for the previous Sheriff to serve as coordinator. Mr. Coyle explained that in most instances the STOP DWI Program money comes as revenue, about \$200,000 for us, and it is doled out somehow; usually in some type of crack down type efforts, overtime, directed overtime, targeted enforcement, it's not Joe Smith, no matter what he does, is going to get paid out of STOP money. If Joe does a detail with three other municipal agencies, each of those agencies would receive STOP money. The program reads that the Coordinator should be receiving proposals from entities. Even though Law enforcement asked and was provided more money in 2014, that still conflicts with the actual regulations that say the Coordinator, with Board approval, should be getting proposals and presenting them to the Committee on how he would like to pay out the STOP money. It has not been happening correctly in years and it will take time to correct this process. The Committee agrees that the Sheriff should be appointed as STOP DWI Coordinator. The Ways and Means Committee will need to set a wage for the position.

Motion: Mr. Gott moved and Mr. LeFeber seconded to refer setting the salary for the STOP DWI Coordinator at \$10,000 to the Ways and Means Committee Carried.

ADJOURNMENT

Mr. Knapp moved and Mr. LeFeber seconded to adjourn the Committee meeting at 1:45 p.m.

January – February 2014

Programs and activities:

EXHIBITS:

History of Murray Hill: I created an exhibit that explored the historical significance of Murray Hill from the early 19th century to present day at the Livingston Arts Center. Several activities related this display included: 1) January 9 - opening reception. 2) January 18th - I presented a new power point program on entitled: *a beautiful country place: Murray Hill, Mt. Morris*, for the Mt. Morris dam lecture series. 2) January 19th – A lecture was held at Livingston Arts by Dr. Arnold Matlin on the history of tuberculosis: fact and fiction. 4) January 26 – a “Murray Hill Reunion” event also at Livingston Arts. The exhibit was on display through February 3rd. The various programs throughout the month attracted a total of more than 200 attendees.

Livingston County History: I have partnered with Steve Nole, Enrichment Specialist at Genesee Valley Educational Partnership (BOCES) to set up exhibits related to the history and culture of our region for the public to view during the Odyssey of the Mind competition at York Central School on Saturday, March 15, 2014.

This is an all day event that attracts about 1000 students from 22 school districts and their families. To date there are about a dozen 10 historians and historical societies that will be setting up informative and educational displays for those in attendance to view between competitions.

Other upcoming events:

Government Appointed Historian's of Western New York – As current Executive Chair of this organization that encompasses 11 counties in WNY, I coordinate biannual meetings as well oversee several projects including: a new web site presence (www.gahwny.org); a Student History award program offered to WNY community college graduates planning to go on to study history at a four-year college; and a collaborative partnership with Genesee Valley BOCES Odyssey of the Mind program. Our Spring meeting will be held on April 12, 2014 in Batavia.

Friends of Livingston County History - I have been working with this network of historical societies with museums to help facilitate collaborative projects and provide professional technical assistance. Our Spring meeting will be held March 19, 2014 at the Livingston County Historical Society.

Ongoing projects:

Heritage Trails in Livingston County: In collaboration with Tourism Director, Lisa Burns, I have created

audio tours of the historic sites throughout Livingston County. The third audio tour is the Museum trail through the county that will be live in March 2014. All the Heritage trails (including Sullivan Campaign Trail and the Civil War Monuments and Memorial Halls) will be prominently featured in the 2014 Visitor's Guide.

Community Arts Grant Project: Production of a DVD entitled "Local History Out Loud": 24 readers (town historians, county employees, community leaders) recorded brief narratives related to early Livingston County history. I am now working on music selections and visual images and anticipate the final product will be done and ready for distribution around the county by April 2014.

Book Project: Blue Devils in Vietnam: Geneseo/Groveland Vietnam Veteran's book project – I am assisting these veterans in their efforts to write a book on soldier's experiences. More than 30 veterans from the Geneseo School District have submitted surveys and photographs for this project. We are in the final stages of this project and plan to have the book ready for sale early July 2014.

Government Center Exhibit: Five of the seven panels for timeline exhibit for the Government Center are done. This covers the time period from the Iroquois Confederacy through the rise of industrialization (c.1400s-1945). The layout for the final two panels is still in process. Completion of this exhibit has been delayed because of other projects but I would like to wrap this up and have it installed in 2014.
