## **ATTENTION RESIDENTS OF VILLAGE OF LIMA**

The Lima Fire Department is opening its doors to area residents, so they can learn about what it takes to be a volunteer firefighter in their community, as a part of a statewide program called **Recruit NY**. Over the last several years, it has been very tough for many fire departments throughout New York State to recruit and retain volunteers for a variety of reasons. Like most volunteer fire departments, the Lima Fire Department needs to bolster its emergency responder numbers, so it can continue to provide the optimum level of protection for its residents. Now more than ever, they need more of their neighbors joining their fire department.

On **Saturday, April 2<sup>nd</sup>** between 1:00 pm & 4 pm the Lima Fire Department located at Rts 15A & 5 & 20 will join in an initiative with volunteer fire departments all across the state at their respective firehouses for a unified recruitment drive, as part of National Volunteer Week 2011. Not only will **Recruit NY** be an opportunity to highlight the duties and rewards that come with being a volunteer firefighter, it will also raise public awareness about the need for volunteers. The hope is that a collaborative effort among volunteer fire departments statewide will turn the declining number of volunteer firefighters around.
